9th - 11th November 2012

3rd European Conference in
Aerospace Medicine (ECAM)

Sheraton Skyline Hotel, Heathrow, London.

The **3rd European Conference in Aerospace Medicine** will be held on **9th,10th and 11th November 2012** at the **Sheraton Skyline Hotel, Heathrow, London.**

The theme is **Medicine in the Extreme Environment**, and will include clinical sessions on the challenges of illness in remote situations, the physiology of extremes, and the aeromedical aspects of space tourism. There will be presentations of scientific papers throughout the weekend, and poster displays.

A gala dinner will take place on Saturday evening, and there will be a programme for accompanying persons, including transport into the city of London.

Full details will be on www.esam.aero & www.aame.co.uk in late 2011. Booking will be available from Spring 2012, with big discounts for early booking packages.

The organising committee from ESAM and AAME look forward to welcoming you to London in Olympic year for what we hope will be a world class conference.
